

RESOLUTION NO. 2022-14

A RESOLUTION of the City Council of the City of Lakewood, Washington, setting the City of Lakewood 2023 Fee Schedule.

WHEREAS, in connection with the municipal functions and operations of the City of Lakewood, the City requires certain fees; and

WHEREAS, it is appropriate to review such fees and make adjustments to appropriately address costs; and

WHEREAS, in keeping with the philosophy of setting City fees in amounts reflective of actual costs, it is appropriate at this time to revise certain fees to compensate the City for costs and adopted cost recovery goals associated with various City functions and facilities; and

WHEREAS, it is appropriate to add fees related to the Tree Preservation Code in accordance with Ordinance 775 adopted by the City Council on November 7, 2022 amending the Lakewood Critical Areas Regulations related to the Tree Preservation Code. The effective date for this change is March 1, 2023 except for tree replacement costs;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LAKEWOOD, WASHINGTON HEREBY RESOLVES as follows:

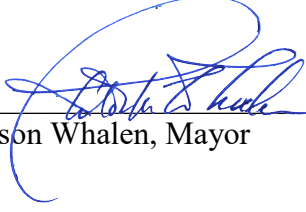

Section 1. That the Fee Schedule of the City of Lakewood is amended as set forth in Exhibit A.

Section 2. Severability. If any sections, sentence, clause or phrase of this Resolution shall be held to be invalid or unconstitutional by a court of competent jurisdiction, or its application held inapplicable to any person, property or circumstance, such invalidity or unconstitutionality or inapplicability shall not affect the validity or constitutionality of any other section, sentence, clause or phrase of this Resolution or its application to any other person, property or circumstance.

Section 3. This Resolution shall be in full force and effect January 1, 2023.

PASSED by the City Council this 21<sup>st</sup> day of November, 2022.

Site Plan Review without a Building Permit. The zoning certification and site plan review fee for those development projects for which no building permit is required but which requires site plan review and a zoning certification, shall be based on the value of the proposed development to be undertaken. The value of the proposed construction/development shall be determined based on professional estimates by a licensed engineer, architect, landscape designer or contractor. These estimates may include but are not limited to, grade and fill of the site, paving, placement of utilities, lighting, landscaping, and other site improvements. The combined total of the cost estimates for all development on the site shall be the established value basis for the zoning certification and site plan review fee found in the table above.			
Zoning Certification with No Site Plan Review Required		A \$20.00 fee applies to zoning certifications where only a business license is required.	
		A \$50.00 fee applies to projects where the proposed land use must be reviewed with respect to development standards, but there is no requirement for submitting a site plan, e.g. an interior tenant improvement.	
Mixed Use Buildings		Site plan review and/or zoning certification application fees may be reduced by 50% if the application is for the construction of a mixed use building. Fee waivers do not apply to SEPA, short plat, subdivision or other permit requests associated with the development of a site, nor does fee reduction apply to mixed use development where the commercial and residential uses are not located within the same building.
